

DDCE Chemical

Compensating Device of Variable Electric Fields | DDCE Chemical

Materials:
Stainless Steel
&
POM

Weight:
7,6 Kg

Profitable
solution

Long
lasting
performance

Measurements:
244x290 mm

Passive
Collector
System

Easy to
install

Meets the
Rohs
Standards

100 %
efectivity

R_{máx} 100m
protection

100 %
warranty

20 years
product life
